

CARTER GUTHRIE

Photography and Education

RELATED EXPERIENCE

INTERNATIONAL CENTER OF PHOTOGRAPHY -PHOTO LAB COORDINATOR -

2022 - Current

- Initially associate staff member providing service at the school for the digital media labs and darkroom.
- Continue to troubleshoot issues that arise with the computers, printers, projectors and software, and facilitating needs such as mixing and properly disposing of chemistry, supplying the correct tools for printing, developing and scanning film.
- Curate effective internal methods of communication for the facilities staff members and frequently organize projects between other departments.

FUGUE GALLERY - CURATOR -

2026

[*Reflective Glass*](#) presents a body of work by twenty artists, ranging from gelatin silver prints, oil on wool, site-specific installation, and projections. Co-curated with Adam Choi Nordby, the show is a means to find interpretations and elaborations of intrapersonal conversations about the transmutation of our identity to the world beyond via visual medium.

AMANT - EDUCATOR -

2025

Leading multiple single-session workshops [*Film Camera Fundamentals*](#). This hands-on, three-hour workshop introduces participants to the basics of using a 35mm film camera. This workshop is presented in conjunction with Amant's exhibition, *Fairytales 1991-1999* by Dietmar Busse.

SMACK MELLON -ART HANDLER -

2022

Participated in transporting the artist-made cars at the Annual Benefit fundraiser; Gravity Racers-themed Benefit Party & Art Auction. Was provided training the day prior on how to properly handle the cars as well as how to package the art being auctioned.

THE KENNEDY GALLERY - GALLERY ASSISTANT -

2016 - 2018

Installed monthly exhibitions encompassing various art mediums. Tasks included handling the art, stripping and painting the walls, and collecting the materials needed.
